Cakes and Company

Cakes and Company has now reopened for the season, every Saturday, Sunday and Bank Holiday until the end of October.

Money raised in Cakes and Company will be spent on village projects. These may include funding towards visual and environmental improvements. It is also likely that some money will be available to existing organisations for specific schemes.

Full constitution available to view at Cakes and Company.

Craft workshops, canal ware paint-shops are some of the attractions at a weekend, look on the notice board at the Community Centre and in the post office for any forthcoming events.

What would you like to see going on, let us have your ideas, youngsters too, please let us know what you would like to have going on to interest you.

Always expect high standards but always be prepared for something different from fresh baps to hot soup, speciality teas, cheesecakes to whisky cake depending who's on the rota!

One week there may be plants for sale, another home made jam, free-range eggs or produce from the garden. Lovely cards and gifts, knitwear, key rings – there is always something different for sale.

We greatly value the support you have already given to us. If you haven't visited yet, you'll be sure of a warm welcome, we're looking forward to meeting friends old and new.

To commemorate loved ones, for a minimum donation of £1, we will plant a daffodil bulb in memory of them. A message may be left in our book of remembrance, which can be viewed at Cakes and Company Community Café. Bulbs will be planted in the autumn donations can be made whenever Cakes and Company are open.

Have a little fling!

For just £1 you stand a chance to win a prize of £25 on the Bonus Ball, the remaining £24 goes to Cakes and Company fundraising. The first lucky winner was Beryl Jones.

Good luck to everyone and thank you for your support.

What would you like to see happening in our village?
